## **Annual Report – 2019-20**

The Management of Sahibzada Ajit Singh Academy is giving its strenuous efforts towards the motive of Green and Healthy Society. There are number of remarkable efforts done within and outside the school premises for the same which are outlined below:

1. The objective of one child one tree is fully accomplished wherein each and every student is provided with a sapling on their birthdays and therefore a step towards restoring the green zone of our locality.
  2. Education and awareness about sustainable development and green environment is provided through posters, drawings and speeches and competitions.
  3. The school also separates the biodegradable and non-biodegradable waste thereby helping in process of their disposal, therefore cleaning the environment.
  4. The students and staff have also reduced the consumption and utilization of plastic thereby reducing the waste.
  5. Active participation of students in guiding their family members and neighbor to clean their surroundings. Also, students themselves put efforts to clean all the litter in their surrounding as well as in school area.
- Voluntary groups are formed of students educating people about methods of cleaning the environment and explaining the importance of the same.
  - School minimized use of paper and promoting e-documents and online materials therefore reducing the paper consumption.
  - Lastly, to reduce the energy consumption, we have adopted different renewable methods of energy production like solar panels etc.

## **Sports Achievements**

SahibzadaAjit Singh Academy, Rupnagar brought a transforming change in the field of sports and games. Since its initial years, school encouraged the students to take equal interest in Sports and and ensured their maximum participation. In order to explore and develop student's interest, indoor and outdoor games are given equal weightage and thus SAS Academy marked its Excellency in both the segments indoor as well as outdoor. SAS Academy is having expert coaches/D.P.Es for different games like Judo, Volleyball, Basketball, Cricket, Shooting, Badminton, Athletics and many more. They train the players of school and make them competent enough to participate at different level i.e. cluster and National Level in CBSE and District, State and National Level in PSEB.

In athletics SAS Academy athletes are participating in CBSE National continuously from last 12 years and cluster level in Volleyball, Football and Basketball. Shooting Range is another success story of SAS Academy where students of our school as well as from different school come and trained by shooting coaches in SASA shooting Range and as a result two of our shooters participated in the Junior 14<sup>th</sup> Asian Games Shooting Championship 2019 and won Gold, Silver and Bronze medal.

The result of this vision is great success as SASA is successful in encouraging students to follow one game and amazingly SASA gave neck to neck competition at state level and CBSE National level sports activities Academy provides all facilities to the students for the sports so that they can shine and build their future.

## **Overall result report – 2019-20**

Despite suffering from Covid-19 pandemic we successfully declared the results of our institution i.e. Sahibzada Ajit Singh Academy, Rupnagar under the able guidance of Principal Sir and Madam Vice-Principal.

- Nursery to II grade result was 100%
- III to VIII grade result of session 2019-20 was 100%

Result of XII came in the month of July 2020 students performed well in their result 98.21%
