Annual Report – 2021-22

A heart filled with aspirations and desires to reach the zenith of success is all that we starve for since the very beginning of this renowned institution Sahibzada Ajit Singh Academy. And this is what gave us the ambition of marching forward till excellence is achieved in all our endeavors.

Our Vision

We try to bring out the best of every student in holistic manner where we lay key emphasis on the learning focused on the overall development of the child & thereby we envision to be the foundation for creating wise learners rooted in their ethnicity & culture to create a better future for the nation.

Our Mission

Our mission is to encourage the young aspirants to strive for high personal standards & to treat others with respect & kindness and to be responsible for the consequences of their actions and also aims for imparting opportunities for mental, spiritual, academic and physical development of the students.

Accreditation of our Institution

1. Central Board of Secondary Education
2. Sports Authority of India

Details of different activities conducted during the year -

1. Teacher's Day

It is rightly said the Learning Never Stops and that No Learner is left behind. Around the world teachers have worked individually & collectively to find solutions and create better learning environment for their students. Therefore students narrated short poems and stories as token of love for their teachers and express their gratitude towards them. In addition to it contest was also held among students to express their gratitude and love towards their teachers.

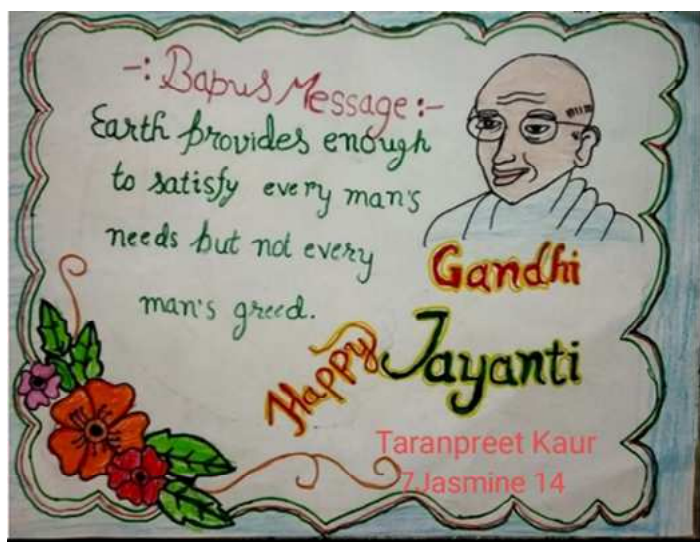

Teachers also marked the importance of this day through speeches by briefly highlighting the importance of this day. Please follow the link to watch the videos

ECO CLUB

it is evident that eco club plays a crucial role in imparting education to the children about the importance of environment in dire need to safeguard it due to excessive invasion and destruction caused by human activities. Despite the covid pandemic our renowned institution Sahibzada Ajit Singh Academy left no stone unturned to educate and inspire students to actively participate in the eco club and activities through virtual media.

The following activities and discussion were carried out by our Institution in the academic year 2020-21 for awareness and imparting education and knowledge to the students as well as to the masses through informational videos, posters etc. on the occasions.

1. We tried to create awareness through poster etc. on world water day.
2. In addition to it, an oath taking ceremony was also carried out on World Environment Day. On the World Environment Day students made everyone conscious about the immediate need to safeguard the holy earth and try to reduce and reverse the havoc created. To enlighten the souls' of people, different activities were also conducted like:- 1. Planting Sapling 2. Slogan Writing 3. Poster making
3. All the club members worked out on a photo collage to give away their gratitude to the medical staff to appreciate their efforts and tremendous dedication they gave to safeguard the lives of the people affected during Covid pandemic.
4. We also organized competition on the occasion of World Earth Day and tried to cover approved days related to environment using social media.
5. Our students also made campus plastic free zone by eliminating the consumption of plastic and adapting the alternative for the same.
6. Furthermore, the school also decided to go digital by minimizing the use of paper and promoting E-exams, E-result etc.

7. Also, our student anticipated in "Swach Bharat Abhiyan" and cleared all the litter from the locality and school and kept dustbin to dump recyclable and non-recyclable waste separately.
8. The school decided to go for conservation of exhaustible energy resource and promote renewable resources like solar energy and therefore we have installed solar lights to rolling bills of electricity.
9. Lastly, school also decided to collect and decompose bio degradable waste and convert into compost that can be utilized for growing green cover around the campus.

PTA

It is undeniable fact that PTA continues to be strong pillar and support for smooth functioning of the school. Along with Teachers and Management, and support of the parents and guardians, key emphasis is laid on the fact that effective relationship and communication between staff, parents and other associated with the Institution is carried out for the overall development of the children. In order to achieve so, we leave no stone unturned to satisfy the queries of the parents and the children, thereby ensuring effective functioning of the institution. The key aspects discussed in the PTA are as under:

1. It was resolved that school will charge Annual Fee and other expenses only as per the instruction given by the Hon'ble Supreme Court of India, and parents gave affirmation for the same. However, if any parent find difficult to pay the fee, exemption in fee are made according to the problems faced by the individual.
2. In addition to it, no hike in fee is made for the prevailing session but academy is planning to purchase two new buses and also to increase the number of bus stoppages. Considering all the above factors, academy has decided to raise transportation fees by nominal 8 % only.
3. Pitching the next area of discussion, as the widespread of COVID -19 pandemic has been significantly reduced, thereby the academy is planning to commence only offline mode of learning for the next session 2022-23 and there will be no online classes.
4. As per the suggestion of the parents, PTM was conducted to discuss about the overall performance and drawback of the students.
5. Resolved that a few PTM were arranged in school prior reopening of the school, where the parents were informed about the progress of their students and their drawbacks were discussed so that holistic improvement of the ward may be carried out.

DECISIONS OF SCHOOL MANAGEMENT COMMITTEE (SMC)

It is undeniable fact that School Management Committee plays crucial role in actualizing the goals of successful running of this Institution. It has indeed tremendous potential to transform existing system of education, characterized by cynicism and defeatist outlook of the system functionaries and stake holders.

Despite the outbreak of Covid 19 pandemic, committee decided to strictly adhere to the guidelines issues by Govt. to combat the prevailing situation that devastated the whole scenario of regular classes.

1. It aimed at providing online classes so that distance should not be a hindrance in learning. In order to achieve so wifi, lecture stands, holders are provided to each and every teacher.
2. It laid SOP for covid prevention are followed. strenuous empahasis on the safety of the teaching and non-teaching staff and thereby proper sanitization is carried out on regular basis. In addition to it, sanitizers and disinfectants are provided in each and every corner of campus to attain a sterile environment for its staff. However, when the widespread of COVID -19 pandemic will be significantly reduced, then the academy will plan to commence only offline mode of learning for the next session 2022-23 and there will be no online classes .
3. It will work according to specific directions laid for admission policy and new admissions will be made as per merit without discretion of caste, creed, religion and region.
4. It will also take in consideration that buildings are strictly adhered to the safety norms and stock requirements of lab, library etc. are updated for smooth functioning when school physically reopen for students.

5. Lastly, recruitment of new staff was carried out as per the norms laid by CBSE so that lack of skilled professionals do not hinder the education of students.

SPORTS

Sahibzada Ajit Singh Academy, Ropar has created players in different sports at District, State and National Level.

It's all because of the Hardwork, sincerity and devotion of SASA expert Coaches/D.PEs and their willingness to inculcate the spirit of sportsmanship and attitude of giving a tough competition and never give up in the field. Thus their efforts bore fruits and the zeal to excel among players opened the doors of opportunity to participate at different levels, for example Cluster and National Level in CBSE and District State and National Level in PSEB.

Although Covid 19 brought everything to a standstill, the coaches keep guiding and motivating them to keep players physically fit and mentally active and we saw them fit and mentally active while practicing yoga. The student participated in International Yoga Day, June 21, 2021 and send their pictures and videos in huge number.

SASA players marked their excellency in indoor and outdoor games like Volleyball, Basketball, Cricket, Shooting, Badminton, Athletics under the guidance and training of Coaches/D.PEs.

SAS Academy athletes participated in CBSE National and at Cluster Level in Volleyball, Football and Basketball.

Four shooters of our institution participated in '**Khelo India**' out of them Khushi, Jasmine Kaur, Arshdeep Kaur were selected for Scholarship of this event.

In addition to it many shooters of our institution like Akashdeep Kaur, harleen Kaur and Mankaran Singh were qualified for trails of Indian shooting team.

Adding to the glory of Institution, our basketball and volleyball team U-14, U-17 and U-19 were winners at **District Level**.

In the field of cricket, U-14, and U-19 players of our institution participated in state level cricket championship and two students of U-14 participated in national camp and bagged bronze medal

SASA sports world is eagerly waiting for everything to get normal and thus play actively in different sports.
